The Wandsworth

Baby Box

ACCESS FOR ALL

Wandsworth Council

Who is eligible to receive a box?

Originally launched to support vulnerable young parents, including those under 21 and parents, the scheme is now being extended through the borough's Access for All initiative to reach a wider group of families. Any parent who is pregnant or has a baby under 6 months old and either parent is in receipt of an eligible benefit.

What is included in the Baby Box?

Baby boxes within the scheme contain many much-needed essentials for a child's early years. The box is also packed with stimulating toys, and books with a focus on laughing, playing, reading, singing and counting.

The Baby Box itself forms only a small segment of the support provided through this scheme. When a new family is given a Baby Box, they will be introduced to a Family Hub Connector that will stay in touch with the family throughout the child's early years.

How to make a referral?

Referral Process for Eligible Parents

Eligible parents can be referred through several channels: A health professional, a voluntary organisation, a registrar, a local family hub, a social worker (if applicable) Referrals can be made via the QR code or using the link **project3ve.com/fmiindex.php** using your username and password when presented with an Access for All card or another form of eligibility proof.

Alternatively, parents can self-refer by contacting our dedicated call centre on **08082840293**

Parents can apply for their card here: **wandsworth.gov.uk/access-for-all**

What Happens Next?

Once the referral is received and confirmed, a Family Hub Connector will get in touch to introduce themselves and explain the next steps. By using the QR code referral system, consent to be contacted is confirmed.

Referral Timing

- During pregnancy: Referrals are typically made at 28 weeks, with contact and box delivery arranged between 32–34 weeks.
- After birth: If the referral is made postnatally, we will make contact with the parent as soon as possible after receiving it.

Playing together

Sing together
