SHIRLEY & JANICE

"Having my PA support me in life is very important to me. I get the help in my home with personal care and cleaning, which is important as I take pride in my appearance. My PA makes my life very happy living with a disability. Without my PA it would be very hard to live independently." **– Shirley**

Shirley has been connected with Ruils since 2014 and has accessed a number of our services. She first contacted the Direct Payment Team in 2016 when her carers were due to go on holiday and she needed help recruiting additional PAs.

Ruils have been supporting Shirley to find, and successfully employ, carers ever since. Shirley is fiercely independent, managing the day to day aspects of her care herself, but we are always on hand when she needs advice and support.

Ruils is a user-led charity supporting disabled children and adults and people with long term health & mental health conditions to live independently, be part of their community and to live life to the full. We provide information, advice, advocacy, befriending and activities to our clients and their families.
